

This letter was written on 22nd December 2022 by Sydina Muhamad Al Kabir, Khalif of the Fes Zawiya in Morocco. As a reminder, Muhamad Al Kabir is the son of Sharif Ahmad, son of Muhamadul Kabir, son of Muhamdul Bachir, son of Sharif Muhamadul Habib, son of Mawlana Shaykh AHMED AL-TIJANI (RTA). In this message, he is solemnly calling the attention of the Muslim and the Tijani community against a 47-page document containing some asraar or secrets, falsely attributed to Mawlana Shaykh Ahmed al-Tidiani RTA. This document is circulating in the social medias and other digital platforms, and its authors allegedly said that Muhamad Al Kabir had posted it online. As a matter of fact, the Khalif states that he even does not know the authors of this poorly written, and unstructured document, but they are utterly wrong. Sold at \$37, the document is said to be able to solve any problems the buyer may have thanks to the secrets couched in the xaatim. The Khalif warns believers as well as disciples that such a document is inauthentic and is opposite to the Sydina Shaykh's family's tradition and practice. The Shaykh Al Kabir invites everyone to discard this lie and to never get involved in initiating or supporting similar deceitful schemes in the name of the Highly Honorable Mawlana Shaykh Ahmad al-Tijani and his noble descendants.
